

How is Murder 'Planned Parenthood'?

By David J. Stewart | September 2007 | Updated June 2015

Jeremiah 1:5, "Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations."

One of the biggest misnomers and woeful deceptions of our time is the "Planned Parenthood" organization. *Planned Parenthood* is the leading abortion-services provider in America, and are responsible for killing millions of precious babies. How can they dare call their organization "Planned Parenthood," when their only plan is to kill, steal, and destroy what God has created? I'd like to know at what point in PLANNED PARENTHOOD's death program does a mother actually plan to become a parent? They should at least be honest and rename their organization to PLANNED MURDERHOOD!!! (because that's their sinister plan for every human life).

Is murdering your child really "Parenthood"? The definition of "parent" is: *A father or mother; one who begets or one who gives birth to or nurtures and raises a child.* How is a mother a "parent" if she is killing her own child, instead of giving birth to, and raising that child? *Planned Parenthood* are a bunch of LIARS! There is NO plan for you to be a parent. To the contrary, their diabolical plan is to talk you out of being a parent, for whatever reason they can find, to rob you of the joy of God's gift of life.

Children are gifts from the Lord; yet, abortionists destroy children, with no respect for life or God. Should it be surprising that U.S. citizens sit comfortably, while our military has already murdered over 655,000 Iraqis? (1,455,590 total). What do we care, just so long as it doesn't directly affect us, right? Should it be surprising that a nation sat idle in March of 2005, while poor Terri Schiavo was dehydrated and starved to death in a heinous act of brutality. *Planned Parenthood*? I think not!!! They should at least be honest, and rename their organization to "Planned Murderhood," or "Planned Herodhood." To no surprise, Margaret Sanger, who founded Planned Parenthood, hated the blacks and vowed to exterminate them.

According to www.blackgenocide.org...

Between 1882 and 1968, 3,446 Blacks were lynched in the U.S. That number is surpassed in less than 3 days by abortion. 1,452 African-American children are killed each day by the heinous act of abortion. 3 out of 5 pregnant African-American women will abort their child. Since 1973 there has been over 13 million Black children killed and their precious mothers victimized by the U.S. abortion industry. In his Letter from a Birmingham Jail, Martin Luther King said, "The early church brought an end to such things as INFANTICIDE."

What would Martin Luther King say to the church today? The Rev. Jesse Jackson once said: "That is why the Constitution called us three-fifths human and then whites further dehumanized us by calling us 'niggers'. It was part of the dehumanizing process. The first step was to distort the image of us as human beings in order to justify that which they wanted to do and not even feel like they had done anything wrong. Those advocates of taking life prior to birth do not call it killing or murder, they call it abortion. They further never talk about aborting a baby because that would imply something human. Rather they talk about aborting the fetus. Fetus sounds less than human and therefore abortion can be justified."

Jackson's massive flip-flop on the abortion issue is further proof that his political future is far more important to him than are his principals. With 1/3 of all abortions performed on Black women, the abortion industry has received over 4,000,000,000 (yes, billion) dollars.

Yet, the *NBC* network honored mass-murderer, Margaret Sanger, in the year 2000 as a great humanitarian...

Margaret Sanger No Hero To Black America

NBC's Today Show Recently brought tears to my eyes. In disbelief, I watched our nation's mainstream media honor Margaret Sanger, the woman who single-handedly gave birth to Planned Parenthood and the abortion movement. The movement that is responsible for literally millions of terminated souls, including more than 1,200 abortions of African American children each day.

As Katie Couric heralded this bigoted, racist woman as a heroine for the millennium, my jaw hit the floor...

Talk about a cover-up! The newsmedia still hasn't stopped talking about Jim Bakker and Jimmy Swaggart. Yet, Margaret Sanger is responsible for attempting to genocide the black population, and her organization is still operating at 100% capacity today, murdering millions upon millions of little babies. Planned Parenthood? You've got to be kidding? Where does the word "parent" have any relevance here? END

ABORTION—THE AMERICAN HOLOCAUST! (1973 to _____)

"Righteousness exalteth a nation: but sin is a reproach to any people." —Proverb 14:34

The sad truth is that women who have had abortions are GUILTY of murder. Such women have crossed the line, just as Eve did when she challenged God's Word. God says... *Thou shalt not kill*; BUT, many women today kill anyway, having no regard for God or His Word. Women who *think* they are exercising their "rights" by having an abortion are in reality foolishly killing their own baby. Do you realize that a baby is aborted by being sucked into pieces while alive, by a vacuum that is 29 times more powerful than a standard vacuum? For more information, please read [Abortion Torture Methods](#). When a woman permits a doctor to kill her baby, she is literally handing her beloved child over to an executioner to be tortured to death in a grotesque, painful, and brutal procedure that rivals the Japanese [Unit 731 Labs](#) of WWII.

On the individual level, there is forgiveness for involvement in the sin of abortion. Through the sacrifice of Jesus Christ, God will justly forgive those who repent and [believe the Gospel](#) (1st Corinthians 6:11, "*And such were some of you: but ye are washed, but ye are sanctified, but ye are justified in the name of the Lord Jesus, and by the Spirit of our God*"). God loves you!

What is a Life Worth? (YouTube video)

Please take a look at this [YouTube video](#). It will remind you that every human life is precious and that we can see this truth most clearly through the face of a helpless, innocent baby who can do nothing for us but allow us the opportunity to give ourselves to him in love. It teaches that joy comes through giving oneself to another for their own sake and that authentic joy can be experienced in the midst of difficulties and even amidst tremendous sorrow. Mostly, it will reveal the heroic courage and life affirming witness that is possible for those yielded to and animated by the life of the Holy Spirit. Take a look but make sure you have your Kleenex ready.

If God could hear the voice of Abel's blood crying out to Him from the ground (Genesis 4:10), do you suppose God has missed the cries of those 57,000,000 infants who've been butchered in America since 1973?
